### EVER SALIVATED BY CALOMEL? HORRIBLE!

Calomel is Quicksilver and Acts Like Dynamite on Your Liver.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system. When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50 cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and cannot salivate. Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe. —Adv.

## ESCAPED SERIOUS ACCIDENT.

Auto Slides Down Into Deep Cut—Young Ballenger Enlists.

Richland, Aug. 20.—Special: Miss Lillian Holland, of Seneca, spent the first part of last week with her friend, Miss Lula Wylie.

John Verner returned home Thursday after a week's visit to relatives in Seneca.

Misses Grace Beard and Ida Pitchford, of Walhalla, spent Wednesday night with Miss Belle Stribling.

Rev. and Mrs. G. M. Wilcox and three children, of Bennettsville, are visiting at the home of Mrs. Sallie H. Coe.

Dr. and Mrs. B. O. Whitten, of Columbia, are guests of the latter's parents, Capt. and Mrs. J. J. Ballenger.

Mr. and Mrs. Furman Burns returned to their home in Fountain Inn Friday after a ten days' visit at the home of Hon. E. E. Verner. They were accompanied home by Miss Lynn Verner, who will spend a month with them.

John Ballenger was in Atlanta last week and enlisted in the quartermasters' division of the national army. His chief duty will be driving motor trucks and his past experience with automobiles will make him a valuable man for Uncle Sam in this important line of service. He is at home awaiting a call to service.

Rev. H. A. Knox preached at the Richland church yesterday morning, and Rev. G. M. Wilcox preached last night. Both preached excellent sermons.

Mrs. Lewis, of Pickens, is visiting her sister, Mrs. W. H. Hughes.

John Verner had as his guests Friday Misses "Poppie" Stribling, Sarah and Clara Verner and Thelma Verner, of Seneca, and Sarah and Mary Murray, of Charlotte, N. C.

Mrs. J. H. Sligh, of Red Hill, Ga., is visiting at the home of her daughter, Mrs. J. D. McMahan.

Mrs. S. N. Hughes and Miss Pearl Ballenger left last week for a ten days' stay at Montreat, N. C.

Edgar McMahan is at home for a few days from Fort Oglethorpe, Ga., where he has been in training for the past three months. He successfully passed all the tests and received a commission as second lieutenant in the reserves, infantry division, and will remain at home until he receives orders to report to one of the new camps where the new national army will be trained.

Mrs. J. P. Stribling and sons, Stiles and David, left this morning for a two days' visit to relatives at Carnesville, Ga. They were accompanied by Misses Elizabeth Conger and Roberta Morris, who make their homes in Carnesville. Miss Conger spent the past three months with her sister, Mrs. Stribling, and Miss Morris the past ten days.

Dave Wallace, of Pendleton, came very near meeting with a serious accident near Richland Monday night. While motoring from Westminster to Seneca he took the wrong road near Driver's Crossing, on the Southern Railway, and in a few moments he found himself half way down the side of a 35-foot embankment, which is being made for the new double track. It seems that Mr. Wallace discovered that he was in trouble in time to throw on his emergency brakes and he slid over the edge of the cut and down the side about half way, where he stopped, his wheels stalling in the soft dirt, a large quantity of which had not yet been removed. The car was not seriously damaged and the occupants only slightly shaken up from the jar and excitement. A car in the rear saw the danger in time to avoid it or the consequences would have been more serious.

Will D. Morris left Wednesday for Monroe, Ga., where he will enter the A. and M. College there. He had been visiting his aunt, Mrs. J. Paul Stribling.

Edward Verner was at home to a large number of his friends Wednesday night. Square dancing was the popular method of entertainment, and between sets punch was served by Miss Elizabeth Conger. Later ice cream and cake were served.

By taking a ballot Miss Ida Pitchford, of Walhalla, was voted the most graceful lady on the floor, and Henry Hughes the most popular gentleman, and they were presented with a large box of candy. It was rather late when the guests departed, but they all agreed that it had been the most delightful event of the season.

The young people of the community enjoyed a dance at the home of W. H. Magill Friday night. The two front rooms and hall and the porch afforded ample room and made possible another happy occasion.

### Fair Play Farm Lands.

(Lavonia, Ga., Times, 17th.)

Robt. E. Richardson was in Fair Play the first of this week and closed a deal with Wm. T. McClure to sell his 475-acre farm in Fair Play. This is one of the finest farms in that section and the announcement of this deal will mean an opportunity to those who desire farming lands around Fair Play. The farm will be subdivided into small farms and sold during September, about the 12th, it is thought now.

### Gen. Wright to Oglethorpe.

Chattanooga, Aug. 9.—Major-Gen. John F. Morrison, accompanied by his aide, Capt. Louis P. Ford, will leave Monday morning for Greenville, S. C., to take command of the division of troops in training there. He will be succeeded as commander at Oglethorpe by Gen. Wright.

## NATURAL IRON BEST CHEAPEST TONIC OF ALL

HIGHLY CONCENTRATED ACID IRON MINERAL GOES FROM TWO TO SIX TIMES AS FAR.

More Powerful, Economical Than Prepared "Patents."

When people find their appetite off, vitality low, and are sluggish, tired and worn-out, a short treatment with just plain, everyday natural iron is the wisest course.

You can get natural iron, known as Acid Iron Mineral, at most drug stores and a fifty-cent bottle goes from two to six times as far as other and weaker iron compounds of laboratory and chemist.

A dollar bottle will permit a whole family to take it a couple of weeks, which in its powerful, highly concentrated form is usually sufficient to increase the family's vitality, strength and appetite in a truly wonderful manner.

Acid Iron Mineral has been bottled, tested and guaranteed up to its present high standard for thirty years for use in hospitals, surgery and dental work, and it may now be secured in family-sized bottles. Be sure you get the genuine. The trade mark "A-I-M" is your protection. It is non-alcoholic, is not a laxative, and is the product of the only medicinal-iron mineral deposit of its kind known to the world, 50c. and \$1. Bottled by lessors, the Ferrodine Chemical Corp., Roanoke, Va.

Note: Acid Iron Mineral contains such a high percentage of iron, it may be used as an external germicide, antiseptic, and astringent. Farmers, surgeons, and dentists use it to stop bleeding, prevent soreness, and as a healing agent. See directions on bottle.—Adv.

### Wolf Stake Locals.

Walhalla, R. F. D., Aug. 20.—Special: The Misses Lanford, of Greer, are visiting at the home of Mr. and Mrs. W. J. O. Ray.

Mrs. W. H. Brewer and son Duffie visited at the home of Mrs. J. M. Sanders, of Poplar, recently.

Mr. and Mrs. Robt. Hubbard, of Richland; Mr. and Mrs. Johnnie Gant and children, of Liberty, and Mr. and Mrs. O. W. Kelley and children, of Newry, visited at the home of Mr. and Mrs. W. J. Hunt the past week.

The young folks of the community enjoyed themselves at an ice cream supper at the home of Raymond Ward Saturday night.

### THIS IS CERTAIN.

The Proof That Walhalla Readers Cannot Deny.

What could furnish stronger evidence of the efficiency of any remedy than the test of time? Thousands of people testify that Doan's Kidney Pills have brought lasting results.

Home endorsement should prove undoubtedly the merit of this remedy. Years ago your friends and neighbors testified to the relief they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They say time has completed the test.

R. O. Oelkers, butcher, W. Main street, Walhalla, says: "I had suffered from Rheumatic pains ever since I was young. My kidneys had always been irregular in action and I had backache. Doan's Kidney Pills, procured from Bell's drug store, gave me relief."

Over three years later, Mr. Oelkers said: "I haven't noticed the slightest sign of kidney trouble since Doan's Kidney Pills benefited me. I am now in the best of health."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Oelkers has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, New York.—Adv.

### THOUSANDS STRIKE IN N. W.

50,000 Lumber Workers Quit—Agricultural Workers Ordered Out.

Spokane, Wash., Aug. 20.—With James Rowan, executive officer for this district for the Industrial Workers of the World, in jail as a military prisoner, orders for the strike of 55,000 agricultural and construction workers in Washington, Oregon, Idaho and Montana went into effect today.

About 50,000 lumber workers are already said to be on strike on orders from the Industrial Workers.

The case of Rowan and each of the other 26 alleged I. W. W. members has to be taken up separately to determine whether they should be held. Money amounting to \$1,360 was taken from those arrested yesterday.

### Governor Pardons Sullivan.

He was convicted at the September term, 1914, on the charge of manslaughter and was sentenced to a term of six years. On May 12, 1914, he shot and killed John M. **WOMAN NOW IN PERFECT HEALTH**

What Came From Reading a Pinkham Advertisement.

Paterson, N. J.—"I thank you for the Lydia E. Pinkham remedies as they have made me well and healthy. Some time ago I felt so run down, had pains in my back and side, was very irregular, tired, nervous, had such bad dreams, did not feel like eating and had short breath. I read your advertisement in the newspapers and decided to try a bottle of Lydia E. Pinkham's Vegetable Compound. It worked from the first bottle, so I took a second and a third, also a bottle of Lydia E. Pinkham's Blood Purifier, and now I am just as well as any other woman. I advise every woman, single or married, who is troubled with any of the above-said ailments, to try your wonderful Vegetable Compound and Blood Purifier and I am sure they will help her to get rid of her troubles as they did me."—Mrs. ELSIE J.
